PETITION – CALLING FOR ON GOING GOVERNMENT SUPPORT OF PET SHOPS RIGHTS TO SELL ANIMALS

To the Honourable Speaker and Members of the Legislative Assembly of New South Wales. The Petition of the people of New South Wales brings to the attention of the house: **Clover Moore has introduced a Bill into the NSW parliament that would ban pet stores from selling puppies, kittens and other mammals. The Pet Industry Association of Australia believes responsible stores such as this one have the right to sell pets. The persons signing this petition support the right of pet stores to sell pets and request that members not support the Animals (Regulation of Sale) Bill 2007.**
