KURT MORGAN

We wish to advise you that Kurt Morgan (our father and founding director of Elite Pet Products) passed away on 21st April 2017.

As some of you may have known, Kurt has not been well for the last 16 months with cancer.

Kurt had been in the pet industry for more than 60 years. Kurt began his early years breeding birds before opening a pet store in Campsie NSW in 1959. In what was a totally different retail market, the store became one of the biggest pet stores in the state in its day.

Kurt moved onto importing pet goods from England, Germany and Asia to what became Magic Wholesale Pet Supplies Pty Limited. In 1990 the trading name Elite Pet Products was created and continues to grow and service the pet industry across Australia, New Zealand and the Pacific region.

Many of our customers may have met Kurt over the years. May his soul rest in peace.

Andre and David Morgan
