

WHAT'S NEW

1. SEAVIEW AQUARIUM ROLLS

Designed in USA - Seaview backgrounds rolls are famous for their detail and clarity of images. Featuring 8 different scenes for Aquarium and Terrarium in 3 sizes - they also have available the Super Enhancer Gel Applicator that sharpen up the images further to give an almost actual presence appearance.

2. PENN PLAX ACTION ORNAMENTS

Yes, they are back in a new and a more exciting action range. With an overall "Pirates" theme, including Shipwrecks, Skeletons in Action, Giant Clams and Treasure Chests - this all-time favourite range from the past is sure to find new fans in today's aquariums.

3. WANPY - RAWHIDE DUMBBELLS WITH DUCK AND CHICKEN WRAP

All-time favourite treats supplier Wanpy - certified by health authorities in over 40 different countries, have added some new items bound to become favourites. The long Chew Rawhide Dumbbell sticks with either Chicken or Duck wrap on each end, are joined by the popular Calcium Bones with Chicken Wrap. All three items are available in 100 gm bags.

4. VETALOGICA VITARAPID MEDICATED TREATS RANGE

Pet Pacific is proud to offer the popular VitaRapid range of medicated Dog and Cat Treats to its customers. Available in Tranquil, Joint & Arthritis Care, Skin & Coat, Oral Care, Digestive Care and Everyday Health. Manufactured right here in Australia - these items have become a staple ongoing sales items for many local retailers.

5. ANIMAGANZA - DOG TOY/TREATS RANGE

USA designed superior action dog toys are arriving in late December. As well as being the most imaginative toy range ever - these toys carry internal treat sticks to guarantee maintained interest and hours of entertainment. The funky and twisting shapes will intrigue and raise curiosity in even the most laid back dogs.

6. ALCOTT RETRACTABLE LEASHES

From the mastermind behind Flexi - comes a great range in stylish design and practicality. This all tape range features all leashes in fluorescent colours and matching collars for heightened visibility at all times. These leashes out feature the leading range in a multiple of features - but maintain a sensible price more in line with lesser quality products.

7. FERRET DIET

From Australia's No 1 pet food maker comes a new Ferret Food featuring 36% meat in the diet. The complex mix of fruit, vegetables and necessary oils and vitamins make this the market best quality food to feed your ferrets as a staple ongoing diet. Now available this is set to become a standard bearer in the local ferret market.
